**Re: Class Rule C.9.1(d) for the 2018 RS:X Windsurfing European & Youth European Championships**

Dear Organizing Authority, Chair of the International Jury and Chair of the Technical Committee,

In accordance with RRS 87, the International RS:X Class Association permit the organizers of the 2018 RS:X Windsurfing European & Youth European Championships and Open Trophy to delete or amend RS:X Class Rule C.1.2(c) and C.9.1(d) to read as follows;

C.1.2(c) is deleted.

C.9.1(d) At Sailing World Cup, World and Continental Championships from 1st July 2018 onwards, Divisions A and B shall only use sails with the serial number from #200510420 to #200510619 and from #200510651 or later.

This is in accordance of the intent of the proposal approved by the class earlier this year. It is only through recent correspondence that it has been identified that the International RS:X Class was not given the correct serial numbers in order to implement the class rule correctly.

Sincerely,

Carlo Dalla Vedova  
*President*  
*The International RS:X Class Association*
