

Dear Sailors, Coaches and team Managers,

Happy new year from Vilamoura Sailing,

As many other countries around the World, after the festivities period occurred an increase in number of positive cases of COVID 19.

In order to control the situation, the Portuguese Government took further steps that were announced today, by Government Decree and is going into a new phase of COVID 19 pandemic control, starting January 15th at 00:00h.

Portugal will have increased restrictions in the upcoming 15 days, with mandatory confinement, but some exceptions apply to a few activities.

As per article 34^o of the Government Decree 3-A /2021, high performance outdoor sports practice (sailing included) and high-performance sport events (without spectators) are allowed.

Of course, all the activities SHALL comply with the strictest public health requirements and respect for everyone involved.

Complying with all the Government regulations we will maintain Vilamoura Sailing Center open, and we will keep our International events calendar: Portugal Grand Prix, 470 World Championship / Olympic Qualifier and the RS:X European Championship.

Portuguese borders are presently open. Please consult travel requirements from your country of origin.
