

Class Rule Changes

International RS:X Class Association

Effective date: 2018-09-17

Status: Approved

Amendment One

C.1 GENERAL

C.1.2 SAFETY AND LIFE SAVING EQUIPMENT

Amend to delete:

- d) ~~A towrope of minimum length 5m and a recommended thickness of 4mm may be carried by the crew. The towrope may be specified as compulsory in an event's Notice of Race.~~

Amendment Two

C.7 HULL APPENDAGES

C.7.1 LIMITATIONS

Old:

- d) (i) At Sailing World Cup, World and Continental Championships from 1st July 2018 onwards, Divisions A and B shall only use the Mark 3 **fin** and Mark 2 **centreboard**. Prior to 1st July 2018, the Notice of Race or Sailing Instructions for an event may also permit the addition of a Mark 2 **fin** to this rule.

Amend to read:

- d) (i) At Sailing World Cup events, World Championships, European Championships and any Olympic qualification events, Divisions A and B shall only use the Mark 3 **fin** and Mark 2 **centreboard**.

Amendment Three

C.9 SAILS

C.9.1 LIMITATIONS

Old:

- d) Only at Sailing World Cup, World and Continental Championships from 1st July 2018 onwards, Divisions A and B shall only use **sails** with the serial number #200510651 or later. Prior to 1st July 2018, at Sailing World Cups, World and Continental Championships Divisions A and B may use any **sail** with a serial number of #200505025 or later.

Amend to read:

- d) At Sailing World Cup events, World Championships, European Championships and any Olympic qualifications events, Divisions A and B shall only use **sails** with the serial number between #200510420 and #2005106129 and #200510650 or later.
